3. ICANN Regional Engagement Strategy

- + African community at ICANN discussed at Prague, ICANN 44
 - Formed regional Working group, draft and finalize plans
 - Advance to implementation stage
 - DNSSEC roadshow, DNS Workshop, Registry/Registrar
- + Other regions follow suit
 - Middle East (ME), Latin America and Caribbean (LAC)
 - European region, Asia Pacific
- + What about Asia Pacific?

ICANN -Oceania Regional Engagement Strategy

- + ICANN – Asia/Australia/Pacific Islands Regional Engagement
 - So far a Terms of Reference Document has been circulated to stakeholders in Oceania
 - Needs wider circulation
 - So far no comments to make changes
- + Next steps:
 - Oceania Working Group formation in coming week
 - Enable teleconference and online wiki documentation support
 - Open and transparent process
- + Discuss and share plans at next ICANN 48 meeting

Thank You !
